**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

## **CAP ON LOSSES FROM CERTIFIED ACTS OF TERRORISM**

This endorsement modifies insurance provided under the following:

BOILER AND MACHINERY COVERAGE PART  
COMMERCIAL INLAND MARINE COVERAGE PART  
COMMERCIAL PROPERTY COVERAGE PART  
CRIME AND FIDELITY COVERAGE PART  
EQUIPMENT BREAKDOWN COVERAGE PART  
FARM COVERAGE PART  
STANDARD PROPERTY POLICY

### **A. Cap On Certified Terrorism Losses**

"Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in concurrence with the Secretary of State and the Attorney General of the United States, to be an act of terrorism pursuant to the federal Terrorism Risk Insurance Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:

1. The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act; and
2. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a Program Year (January 1 through December 31) and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

### **B. Application Of Exclusions**

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this Coverage Part or Policy, such as losses excluded by the Nuclear Hazard Exclusion or the War And Military Action Exclusion.

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

## **EXCLUSION OF CERTIFIED ACTS OF TERRORISM**

This endorsement modifies insurance provided under the following:

BOILER AND MACHINERY COVERAGE PART  
 COMMERCIAL INLAND MARINE COVERAGE PART  
 COMMERCIAL PROPERTY COVERAGE PART  
 CRIME AND FIDELITY COVERAGE PART  
 EQUIPMENT BREAKDOWN COVERAGE PART  
 FARM COVERAGE PART  
 STANDARD PROPERTY POLICY

### **SCHEDULE**

The **Exception Covering Certain Fire Losses** (Paragraph **C**) applies to property located in the following state(s), if covered under the indicated Coverage Form, Coverage Part or Policy:

<b>State(s)</b>	<b>Coverage Form, Coverage Part Or Policy</b>
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

- A.** The following definition is added with respect to the provisions of this endorsement:

"Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in concurrence with the Secretary of State and the Attorney General of the United States, to be an act of terrorism pursuant to the federal Terrorism Risk Insurance Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:

1. The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act; and
2. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

- B.** The following exclusion is added:

#### **CERTIFIED ACT OF TERRORISM EXCLUSION**

We will not pay for loss or damage caused directly or indirectly by a "certified act of terrorism". Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

- C. Exception Covering Certain Fire Losses**

The following exception to the exclusion in Paragraph **B.** applies only if indicated and as indicated in the Schedule of this endorsement.

If a "certified act of terrorism" results in fire, we will pay for the loss or damage caused by that fire. Such coverage for fire applies only to direct loss or damage by fire to Covered Property. Therefore, for example, the coverage does not apply to insurance provided under Business Income and/or Extra Expense coverage forms or endorsements which apply to those forms, or to the Legal Liability Coverage Form or the Leasehold Interest Coverage Form.

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a Program Year (January 1 through December 31) and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

#### **D. Application Of Other Exclusions**

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this Coverage Part or Policy, such as losses excluded by the Nuclear Hazard Exclusion or the War And Military Action Exclusion.

## Policyholder Disclosure – Notice Of Terrorism Insurance Coverage

You are hereby notified that under the Terrorism Risk Insurance Act (Act), as amended, that you have a right to purchase insurance coverage for losses arising out of acts of terrorism, *as defined in Section 102(1) of the Act*. The term “act of terrorism” means any act that is certified by the Secretary of the Treasury --, in concurrence with the Secretary of State, and the Attorney General of the United States—to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property; or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

You should know that coverage provided by this policy for losses resulting from certified acts of terrorism, such losses may be partially reimbursed by the United States Government under a formula established by federal law. However, your policy may contain other exclusions which might affect your coverage, such as an exclusion for nuclear events. Under the formula, the United States Government generally reimburses 85% of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. The premium charged for this coverage is provided on the policy Declarations page and does not include any charges for the portion of loss covered by the federal government under the act.

### LIMITATION ON PAYMENT OF TERRORISM LOSSES

You should also know that the Terrorism Risk Insurance Act, as amended, contains a \$100 billion cap that limits U.S. Government reimbursement as well as insurer's liability for losses resulting from certified acts of terrorism when the amount of such losses in any one calendar year exceeds \$100 billion. If the aggregate insured losses for all insurers exceed \$100 billion, your coverage may be reduced.

If you purchase this coverage on an umbrella policy, you must also purchase this coverage for any underlying liability policies.

In the context of a newly issued policy or renewal offer, this form becomes part of the application for this coverage.

### **You may select terrorism insurance coverage as follows:**

The portion of your annual policy premium that is attributable to coverage for certified acts of terrorism is shown on the declarations page. *If you wish to reject this coverage, please read and complete the form below.*

### **You may reject terrorism insurance coverage as follows:**

You may elect to decline coverage for certified acts of terrorism. However, if your policy covers property located in a state with a fire following statutory requirement, the terrorism exclusion makes an exception for fire losses to

such covered property resulting from certified acts of terrorism. If you choose to decline coverage for certified acts of terrorism, that rejection is not applicable to fire losses to property in those states resulting from certified acts of terrorism, unless excepted by statute or other regulatory means. A separate premium is displayed on the declarations page for coverage for fire losses that result from certified acts of terrorism.

*To reject coverage, you must 'X' the box below, sign your name, print your name, date this form and return it to the company within 30 days. If you choose not to reject this coverage, you do not need to return this form.*

ف	I hereby elect to exclude losses arising from certified acts of terrorism and understand that I will have no coverage for losses resulting from certified acts of terrorism. I understand that if I exclude certified acts of terrorism coverage, coverage will not be available until my next renewal.
